As originally published, support from the Army Research Office and the Extreme Science and Engineering Discovery Environment (XSEDE) was omitted from the Acknowledgments. The full Acknowledgments appears correctly below:

This research made use of the Center for Nano Science and Technology at University of Notre Dame which was supported by the Semiconductor Research Corporation (SRC), Nanoelectronics Research Initiative (NRI) and the National Institute of Standards and Technology (NIST)

through the Midwest Institute for Nanoelectronics Discovery (MIND), STARnet, an SRC program sponsored by MARCO and DARPA, by the Office of Naval Research (ONR) and the National Science Foundation (NSF), and by the Army Research Office (W911NF-13-1-0380). Computational resources were provided by the Extreme Science and Engineering Discovery Environment (XSEDE), supported by NSF (OCI-1053575 and DMR07-0072N).
